

As we head into a new year, we look forward to a bright 2016 filled with new programs, events, and of course, our Brand NEW MAC Fitness Facility! 2015 was a monumental year for the MAC and we hope to build on our previous achievements and continue our organizational growth. 2015 was a big year for a multitude of reasons, but one of our largest accomplishments outside of the construction of the new facility was our success in adding new programs, special events, and drawing in even more folks to the existing amenities such as the golf and aquatics facilities. All of our upcoming programs and events are listed on our website, and we hope all of our members are engaged and involved at a capacity that allows your maximum enjoyment of all that the MAC has to offer.

MAC Fitness Series

The 13th Annual Jingle Bell Trot was held on a beautiful Thursday evening, December 10. We were fortunate to be able to launch the race with mild temperatures, and we were very pleased with the participation in this year's event. Around 150 adults and children turned out to brave the hilly Jingle Bell Trot Track. The Meade Activity Center would like to thank all of our event sponsors, volunteers, and participants for helping make the Jingle Bell Trot a success.

Membership Updates

All New Memberships are being billed via automated bankdraft or debit/credit card payments. **By February 1st we need to convert all current memberships to automated payments as well. If you haven't stopped in to convert your payment type with the office, please do so at your earliest convenience.** With the addition of so many new membership units and membership types it will become extremely difficult to offer standard invoice as an option moving forward.

River Trace Golf

The golf course is still in fantastic shape and we ask for everyone's help to keep that way during the off season. PLEASE DRIVE CARTS ON PATH or IN THE ROUGH AS MUCH AS POSSIBLE AND AVOID CROSSING OVER FAIRWAYS IN WET AREAS. If we can control cart traffic, we can control erosion and fairway damage.

Below is the tentative 2016 Golf Calendar at River Trace:

JUNE

3 Summer Glow Ball

27-July 1 The First Tee Golf Camp

Programs

Registration for our Winter program session is now underway. Program guides for the session have been distributed to elementary schools and are attached to the newsletter as well. This year we are excited to roll out new Adult Fitness classes here at the MAC to include: Cardio Pump, Zumba, and Yoga.

In addition, we will offer another 6 weeks of K-2 Youth Basketball along with new Martial Arts, Youth Guitar, and Gymnastics classes.
