Terms of Membership

When the application for membership is turned in to the MAC office, payment of the set-up fee plus the first month's dues are required. Monthly dues are prorated for the first month at time of joining.

Membership dues are due on the 1st of the month. Payment is due no later than 4:00 p.m. on the 20th of the month or the first business day after the 20th for months where the 20th falls on a weekend or holiday. Payments can be made by either automatic bank draft or automatic credit card payment. Any payment received after the 20th of the month will be considered overdue.

Members are required to pay memberships continuously without lapse. If a membership is not kept current, it is subject to suspension or termination. Once a membership is terminated, a waiting period must be met before the membership can be used again.

Overdue, Suspended, and Terminated Memberships

- A \$5 late fee will be assessed on any membership whose payment is not received by the due date listed above. This late fee will be added to the next month's invoice.
- If full payment for an invoice with an outstanding balance is not received by the 20th of the current month, that membership will be placed in a suspended status. Members who have suspended memberships will be required to pay guest fees for any MAC facilities or services used until all membership fees (including late fees) have been paid. An additional \$5 late fee will be assessed for each month that an outstanding balance exists for the membership.
- If a membership is in a suspended status, a reminder note will be added to that membership's invoice each month until all membership fees (including late fees) have been paid.
- If a membership remains in a suspended status for three consecutive months, the membership will be terminated and a final invoice will be sent to the member requesting payment for any and all outstanding fees (including all outstanding late fees).
- Once terminated, a membership may be reinstated in one of two ways:
 - By paying all outstanding membership fees as well as any missed monthly membership fees up through the current month. If a member chooses to catch the membership up to current status, no additional join fee is required.
 - After a 12 month waiting period from the date of termination. In this case, no outstanding membership fees or missed monthly membership fees are due. However, if a member chooses to reinstate a membership after this waiting period, a new join fee will be assessed along with the first month's membership fees.

Requests for Hold Status

- The MAC realizes that members may face circumstances and situations that require their memberships be put "on hold" from time to time. Should any member feel the need to have their membership put on hold, a request can be submitted to the MAC office in writing. Once a request is received, MAC management (with input from the MAC Board of Directors) will review the request and render a decision. If a membership is put into a hold status, the member will be required to pay applicable guest fees for MAC facilities and services used until the membership is reactivated.

Requests for Termination

- Any member who wishes to terminate their membership should do so in writing before the 20th of the month prior to the month the termination is requested. Those members who choose to terminate their memberships will be expected to pay any outstanding fees (including any outstanding late fees) up to the termination date.
- Terminated members can use the MAC facilities and services as anyone else in the community by paying the appropriate fees.
- Memberships that have been terminated surrender any status associated with that membership.

Membership Upgrades or Downgrades

- If a member wishes to upgrade their membership, a request should be made at the MAC office. Along with completing an upgrade request, the member is required to pay an upgrade fee of \$50 plus the new membership fee. (If the member is a Charter member and has never upgraded before, the upgrade fee is waived.)
- If a member wishes to downgrade their membership, a request should be made at the MAC office by completing a downgrade request form. A member who has downgraded their membership can request to upgrade their membership once a 12 month waiting period has passed from the date of downgrade. In addition, members upgrading a previously downgraded membership will be required to pay the normal \$50 upgrade fee.

Release and Liability Waiver

In consideration for being permitted to participate with the MAC for any purpose including but not limited to utilization and/or observation of its facilities, services, and programs, without respect to location, the undersigned, for himself and personal representatives, assigns, heirs, and next of kin hereby agrees to release, waive and discharge the MAC, its directors, officers, board of directors, employees, and agents from all liability for any loss or damage to personal property, and/or any claims or demands therefore on account of injury or death of the undersigned. The undersigned agrees that the forgoing release and waiver of liability is intended to be as broad and inclusive as is permitted by the law of the Commonwealth of Kentucky.

I understand that membership at the MAC is privilege and may be revoked for conduct unbecoming a member as stated in the rules of the facility or at the discretion of the director. I further understand that membership dues are not refundable.

I have read and agree to the Terms of Membership.
