

# MAC Newsletter July 2016

The month of June was a great way for the MAC to officially start the summer. We had record numbers of member check-ins along with continued growth of guest fees at the pool, golf course and fitness facility. Traffic has picked up immensely around the MAC and we are seeing a great amount of participation at all of our facilities. Throughout the newsletter you will notice the different programs and special events taking place in the near future. As valued members, we hope you take advantage and enjoy the many opportunities that the MAC has to offer you and your families.

*Thank you,  
Aaron Greenwell  
Executive Director*

## Tennis

MAC Tennis programs are off and running and we are extremely pleased to see that we have so many participants in our Adult Co-Ed League. Jon Miller is coordinating our USTA leagues and has done a great job in getting experienced players and beginners of all ages to take part in some friendly competition in a great atmosphere. We will host another session of league play in August, and registration will begin later this month.

\*Tennis courts will be reserved from 5:00 p.m. until dusk on Monday evenings to host league play. Tennis Camp will be held the week of July 25-29 and information can be found in the Summer Camp Brochure.

## Red Rock Trail

We are happy to announce that the Red Rock Trail is nearing completion. Volunteer Crews made great strides on Saturday June 25<sup>th</sup> when they were able to spread the trail in its entirety from the MAC property all the way to the fairgrounds. A huge debt of gratitude is owed to Jason Sutton, Cory Redmon, Andrew Ford, Jason Allen, and all of the volunteers who have helped create the trail and raised revenue for its development. We are proud of the project and are happy to have it commemorate a wonderful person in Neil Allen. Leadership Meade County headed the fundraising endeavors and as a group raised over \$7,000.00 through a “Buy a Brick” campaign to help

with the trail. Thank you to Chamber Executive Carole Logsdon and the entire group for all that you have done to move the project forward.

\*Please refrain from using any motorized vehicles to access the Red Rock Trail.

### **River Trace Golf**

The golf course is moving along nicely this season. Our Bermuda grass fairways are in, the greens are healthy and as a result we've seen even more play around the facility. We would like to thank our Golf Maintenance Staff for their diligence to get the course in its current condition.

Thank you to our volunteers who helped during our golf camp including: Bob Pollock, Steve Lambert, Tom Moore, Ed Abner, Wayne Patterson, Lee Richardson, Bailey Smith, Brady Pollock, Jerry Garris, Kyle Melloy, and our staff for putting on such a great week for our junior golfers.
