

# MAC Newsletter July 2017

The month of June was a great way for the MAC to officially start the summer. We had record numbers of member check-ins along with continued growth of guest fees at the pool and golf course. Traffic has picked up immensely around the MAC and we are seeing a great amount of participation at all of our facilities. Throughout the newsletter you will notice the different programs and special events taking place in the near future. As valued members, we hope you take advantage and enjoy the many opportunities that the MAC has to offer you and your families.

*Thank you,  
Aaron Greenwell  
Executive Director*

A few of our youngsters who are MAC Members qualified for the KHSAA High School State Tourney this year. Parker Bradley, Brigid DeVries, and Colby Dupin all represented the MAC and Meade County well. Congratulations!

MAC Tennis programs are off and running and we are extremely pleased to see that we have so many participants in our Adult Co-Ed League. Jon Miller is coordinating our USTA leagues and has done a great job in getting experienced players and beginners of all ages to take part in some friendly competition in a great atmosphere.

To ensure that our members have the best experience possible, please follow the posted tennis procedures. They are listed on the signage by the courts and will require members and guests to sign-in to play.
