PAMELA POLLOCK

Pam Pollock was a dedicated golfer who thoroughly loved the game. She always enjoyed playing golf with her many golf friends and traveling to different places for tournaments. Pam especially enjoyed trips to Myrtle Beach to play golf and enjoy the ocean. She was one of the most giving people that I have ever come across. Pam was willing to help out with junior golf events and always seemed to get me laughing with her commentary about our young participants. She helped orchestrate the ladies league at River Trace Golf and Hillcrest CC for years. She is gone too soon, but will always be remembered.
