

July was a very busy month around the Meade Activity Center despite it being one of the hottest months on record. The fitness center, swimming pool, golf course, and tennis courts were constantly occupied over the past month. We're happy to see the facilities being utilized at such a high level, and want to thank our members and guests for contributing to the ongoing involvement of the MAC. We have many scheduled events planned for August which you can learn more about throughout the newsletter.

We lost a very special person last month. Pam Pollock was a great friend to the MAC, the Ladies Golf Association, and our Jr. Golf Programs. She has been a staple of Ladies golf here since I was a child, and many people will miss her dearly.

*Sincerely,  
Aaron Greenwell  
Executive Director*

### **Kroger Community Rewards**

It's that time again to renew your enrollment for Kroger Community Rewards. We received over \$2,650 in donations from Kroger over the past year with only 63 families enrolled to support the MAC! Just think if we could get all of our members to participate. IT'S FREE!!! More information will be coming soon.

### **Fitness Center**

We want to thank you all of our members for your efforts to keep the gym tidy. We strive to make sure that the gym facilities are as clean as possible, but it takes everyone to play a part including our patrons.

- Please re-rack all weights when you are finished
- Please wipe down equipment once finished
- Please let staff know if there is any equipment that needs service

Thanks!

### **Fall 1 Programs**

New MAC Fall 1 offerings will be advertised soon including The First Tee, youth gymnastics and cheer programs, and adult fitness classes. For more information on these events, be sure to look into the Programs tab of our website at [www.meadeactivitycenter.org](http://www.meadeactivitycenter.org).

### **Red Rock Trail**

We are happy to announce that the Red Rock Trail is nearly complete. All of the Bricks that were purchased have been laid out with the commemorative signage to honor Neal Allen. Privacy fencing and gates have been installed and the entrance of the trail is being worked on that should allow for us to have a kick-off FREE Run/Walk event in the next few weeks.

### **River Trace Golf**

The golf course is in the best shape it's been in this season. Thank you to our maintenance staff who has been pulled in many directions over the past few weeks for your accomplishments.

Last month we hosted the Bridge Cup, the 2nd Annual First Tee Benefit Scramble, and will offer the Belles and

Beaus presented by Servpro this weekend. At the end of the month we will conduct the annual Men's and Ladies Club Championships.

### **The Bridge Cup**

Thank you to all of our players and Captain Spencer Hackert on a great effort in this year's Bridge Cup vs. Old Capital. Despite a first day lead that was acquired on the road at Old Capital, our team came up just short in the 4<sup>th</sup> Annual event. When all the matches were completed, Old Capital scored 13.5 to River Trace's 11.5.

### **The First Tee**

Our 2<sup>nd</sup> Annual First Tee scramble had great community support and the event netted just over \$3000 to be utilized towards youth programming. Thank you to Title Sponsor, The Lusk Group, for leading the way in this fun event that places junior golfers with a sponsor organization.

### **PGA Jr. League**

Our juniors finished their season at 6-2 placed 2<sup>nd</sup> overall in our region. Congratulations to them and Coach Chad Pickering for a great season. In addition, 2 of the players from River Trace have been chosen to participate in the All-Star Postseason.

Congratulations to Haley English & Cameron Hill on your All-Star Selections!

### **The Pam Pollock Memorial Scramble**

We will be hosting a special event on August 18<sup>th</sup> to honor Pam Pollock. There are still opportunities for team entries, as well as hole-sponsors. Contact Aaron Greenwell to get involved.

### **Gentlemen's League**

The men with the Friday Morning Gentlemen's League have been collecting donations over the past few weeks in an effort to contribute to various local charitable organizations. Most recently, they donated over \$100 to the Meade County Food Pantry. Thank you for your efforts.
