

Fall has officially arrived on the calendar and brought some very welcomed temperatures to our community. The MAC is just a few weeks away from reaching the 2 year anniversary of the opening of our Health & Fitness Facility. I want to thank our board of directors, staff, and most importantly our donors who helped make facilitate and implement our plans to make the MAC what it is today. Over the past couple of years we have experienced tremendous growth in membership as well as in youth and adult programs. We hope to be able to continue our goal of providing health, fitness, and recreation opportunities to Meade County and our surrounding communities for years to come.

Thank you,  
Aaron Greenwell
