

July was a very busy month around the Meade Activity Center. The fitness center, swimming pool, golf course, and tennis courts were constantly occupied over the past month. We're happy to see the facilities being utilized at such a high level, and want to thank our members and guests for contributing to the ongoing involvement of the MAC. We have many scheduled events planned for August which you can learn more about throughout the newsletter.

*Sincerely,
Aaron Greenwell
Executive Director*

If you haven't walked or run on the trail we encourage you to give it a try, as it is beautiful throughout.

River Trace Golf

The golf course is in the best shape it's been in this season. A big thank you to our maintenance staff who has been pulled in many directions over the past few weeks for your accomplishments.

Last month we hosted the Bridge Cup, multiple PGA Jr. League matches, and will offer the Belles and Beaus presented by Servpro this weekend. At the end of the month we will conduct the 1st Annual River Trace Invitational on August 25-26.

Meade County High School Teams

We are happy to be able to host the Boys and Girls HS teams during their season. Many of the players started their golf career with us through The First Tee, PGA Jr. League, or MAC Golf Camps.

They will be on the range and practice areas throughout the next few months, and will have a few matches hosted at River Trace on the Following Dates:

Thursday August 9th: Course will be Closed from 4pm on

Monday September 10th: Course will be Closed from 4pm on

The Bridge Cup

Thank you to our players and Captain Kyle Melloy on a great effort in this year's Bridge Cup vs. Old Capital. Despite tying Old Capital in Day 1 competition, our team came up just short in the 4th Annual event. When all the matches were completed, Old Capital scored 14.5 to River Trace's 10.5.

The First Tee

Our 3rd Annual First Tee scramble will be held in September this year. Possible dates are September 16 or 23. More information to come soon.
