

July was a very busy month around the Meade Activity Center. The fitness center, swimming pool, golf course, and tennis courts were constantly occupied over the past month. We're happy to see the facilities being utilized at such a high level, and hope our members had an opportunity to partake in some of the events that took place over the past 31 days. August will bring even more scheduled events which you can learn more about throughout the newsletter.

*Sincerely,
Aaron Greenwell
Executive Director*

Kids in the Fitness Center

We want to thank you all of our members for your efforts to keep the gym safe. We strive to make sure that the gym facilities are as safe as possible, but it takes everyone to play a part including our patrons.

Children need to be in the designated area unless they are approved to use equipment.

Parents please make sure your child has passed the KIDS FIT TEST if they are under 10 years old.

Small children should not be on the floor even if there are very few people in the gym.

General Reminders

Please be mindful of your speed through the MAC parking areas. There are frequently pedestrians golf carts around our property, and we would hate to see an accident.

Please be sure to check in at all MAC Facilities before playing golf, tennis, swimming, or utilizing the fitness center.

Your 24/7 Card is your INDIVIDUAL Card. It's not to be passed around, even to active family members.
