

# MAC Newsletter April 2020

Wow.... Where to start during these unprecedented times. The novel coronavirus COVID-19 has turned our world upside-down during the past few weeks. Spring is a time that typically signifies an abundance of events and gatherings here in Kentucky. This year we were dealt a different hand. Despite the obvious challenges and pitfalls we have all faced over the past few weeks I want to thank our staff and members for your diligence to ensure that the areas that are open here at the MAC are operating within the confines of CDC and other government mandates. Since the closure of the fitness center we have seen an increase in activity at outside amenities including the tennis courts, nature trail, and the golf course. With the early April forecast looking unseasonably warm, we can only expect to continue to see large numbers of members and guests trying to get outside and enjoy sunshine and fresh air. PLEASE CONTINUE TO PRACTICE SOCIAL DISTANCING AND ABOVE ALL, DO NOT COME TO ANY MAC FACILITY IF YOU ARE FEELING SICK OR THINK YOU COULD HAVE POSSIBLY BEEN EXPOSED TO SOMEONE EXPERIENCING SYMPTOMS OF COVID-19.

We want to provide an outlet to folks to get some mental and physical exercise, but must do so in a responsible fashion. Thanks so much for your understanding,

Aaron Greenwell  
Executive Director
