

The month of July was the closest thing to “normal” we’ve seen at the MAC in quite a while. Despite some obvious changes, the pool did re-open successfully, and we continued to see steady traffic at the golf course from both members and guests. We were able to extend the hours at the fitness center, and just recently re-opened to early AM access as well. With recent spikes in COVID-19 we ask everyone here to continue to practice social distancing and use caution while using the facilities. Please remember that we are in this together and the only way we can keep the doors open is for everyone to do their part. We hope to see you soon.

*Thank you,  
Aaron Greenwell  
Executive Director*

**Meade County High School Teams**

We are happy to be able to host the Boys and Girls HS teams during their season. Many of the players started their golf career with us through The First Tee, PGA Jr. League, or MAC Golf Camps.

They will be on the range and practice areas throughout the next few months, and will have a few matches hosted at River Trace on the Following Dates:

**The Tri County Shootout**

The 2nd installment of the Tri-County Shootout is scheduled for August 15th. The team from River Trace will travel to Lincoln Trail and defend the title against 3 teams from Chariot Run, Etown CC, and Lincoln Trail. Good Luck to Captain Kyle Melloy and our defending champs.

### **River Trace Golf (Cont.)**

We do have a couple of important announcements concerning the golf course and policies/mandates that must be followed.

- [We cannot allow groups to congregate around the practice green.](#)
- [We cannot allow groups to congregate around the driving range.](#)
- [We cannot allow groups to congregate around the pavilion. \(PLEASE USE SOCIAL DISTANCING\)](#)
- [We cannot allow groups to congregate at all . \(If the Tuesday Mens League, Wednesday Ladies Group, Friday Gentlemens League, or any other group needs to determine the status of your game you should do so in the back parking lot and SPREAD OUT!!!\)](#)

The golf course is in fantastic shape. Our Bermuda grass fairways are near perfect, the greens are healthy, and the tee boxes are doing well with the new hybrid grass we have installed.

**CART PATH ONLY** – If signs are posted for Cart Path Only for a Hole, they mean **CART PATH ONLY**. Far too frequently we see members and guests off the path on holes 2,5,7,9 even after significant rainfall and multiple signs being posted.

-ALL PAR 3's ARE CART PATH ONLY ALL YEAR.

-HOLE NUMBER 7 SHOULD NEVER HAVE A CART RIDING THE HILL OR IN THE BOTTOM OF THE FAIRWAY

-CARTS SHOULD NEVER GET WITHIN 50 FEET OF THE PUTTING GREENS.

## **Thank You for your support of the MAC!**
