

Spring has arrived and not a minute too early! I'm sure that everyone is looking forward to getting back to some sense of normalcy, and the warmer weather helps provide an outlet for everyone who has been couped up over the winter months. The fitness center has stayed busy most of the 1st quarter, and golf course traffic has picked up significantly over the last few weeks of March. This time of year is exciting with improving weather, high school and college basketball, and preparation for the summer months ahead. We welcome all of our new MAC Members and hope that you are working diligently towards your wellness goals and/or enjoying general recreation opportunities here on our campus.

Aaron Greenwell
Executive Director

Membership Specials

SPRING SPECTACULAR

During the month of April new members joining as either MAC Golf Plus or MAC Unlimited will receive 25% off of their first year of dues! (Set Up Fees Apply, 1 24/7 Card is included)

Afterschool Programs

We are looking forward to offering the REC League Afterschool program at Brandenburg and Flaherty again beginning in August. If you are interested please reach out to site coordinator Terry Lancaster.

Summer Camps

Unfortunately, we will not be offering a full slate of summer camps this year. We will likely offer a 1/2 day golf camp and possibly a 1/2 day tennis camp. Look for more information soon.

Aquatics

The tentative opening day for the pool to open is Saturday May 29th. We will start prepping the pool including annual maintenance in late April. We are excited to have a full season again in 2021 and also are very happy to have a very experienced staff in the aquatics area.

Spring Cleaning

We are always busy making various improvements around the property this time of year. Most recently our staff repaired all of the fixtures in the cart barn and converted to LED bulbs. The next step is to install motion sensors that will turn the lights on automatically when someone enters the barn. This should provide a much improved situation for members and our staff. Other improvements will include: addition of new privacy fence behind driving range, repair seeding for rough on the golf course, planting of new trees on the golf course, installing a phosphate control pump at pool, fresh paint on all fences around the property, updated landscaping, fresh paint in restrooms and lower level of the fitness center, and additional zoysia sod around all the bunkers.

Drop-In Classes / Scheduled 6 week Adult Fitness

We are in the early stages of revisiting both drop in and scheduled adult fitness opportunities. Until we have the ability to work at full capacity, facebook posts and text groups will be utilized for updating members/program participants. If you would like to be added to a text list for a specific adult fitness class email:

aaron.greenwell@meadeactivitycenter.org

- Be sure to include your name and cell number.
