

MAC Newsletter June 2021

June is the unofficial start to summer for the Meade Activity Center. The facilities are in great shape and we look forward to numerous events and the opening of the aquatics facilities. The fitness center has remained very busy, golf and tennis activity has increased, and the pool is scheduled to open on May 30th. Please be mindful of increased traffic and small children once the pool opens! We welcome all of our new MAC Members and hope that you are working diligently towards your wellness goals and/or enjoying general recreation opportunities here on our campus.

Fitness Center / Membership

Since going to 24/7 last month we have had mostly desired behavior from our members and guests. Please continue to be aware of others and try to social distance when you can. Also, please be sure to re-rack weights, wear proper attire, and use appropriate language while in the gym. If a staff member asks you about something in the gym please adhere to their advice, they are only trying to help while looking out for the greater good.

- PLEASE CONTINUE TO WIPE DOWN EQUIPMENT AFTER EACH USE.
- Please continue to social distance when you can do so in the gym.
- Please be aware of other members who may be waiting on equipment that you are using.
- Please wear the proper footwear and attire in the fitness center.
- Please don't congregate/socialize in an area that is being used by others on the fitness floor.
