

July was a very busy month around the Meade Activity Center. The fitness center, swimming pool, golf course, and tennis courts were constantly occupied over the past month. We're happy to see the facilities being utilized at such a high level, and want to thank our members and guests for contributing to the ongoing involvement of the MAC. July marked the end of MAC Summer Camps and I'm happy to report the highest attendance in the history of the program. We hosted our first tennis camp in 3 years in July and we are looking forward to expanding into more tennis opportunities for kids and adults. We have many scheduled events planned for August which you can learn more about throughout the newsletter.

*Thank you,
Aaron Greenwell
Executive Director*

Pool

[The MAC pool is scheduled to close on August 15th.](#)

August 1st-August 9th: Pool Open 11:00-6:00 PM
August 10th-August 12th: Pool Open 4:00-6:00 PM
August 13th-August 14th: Pool Open 11:00-6:00 PM

**** Health Department Regulations requires children be 17+ to attend any aquatics facility by themselves. Anyone under 17 must be accompanied by someone 17+.***

Fitness Center

July produced the largest increase of new members for the calendar year at the MAC. We expect the gym traffic to slow a little with the start of school here in Meade County along with many college students outbound to start the fall semester. Please continue to clean equipment, re-rack weights, and report any equipment that needs to be serviced. Also, please report anytime that you witness inappropriate activity during 24/7 hours. We don't have a high number of incidents that occur, but we appreciate when members let us know that there was something we should review on surveillance footage.

General Reminders

- Please be mindful of your speed through the MAC parking areas. There are frequently pedestrians and golf carts around our property, and we would hate to see an accident.

Afterschool Programs

We are looking forward to offering the REC League Afterschool program at Brandenburg and Flaherty again beginning in August. There are a few spots still remaining.

Youth Programming

We are looking into the logistics of offering additional youth golf, adult fitness, and other programming. Look for announcements on our website and facebook page for more details.

River Trace Golf

Meade County High School Teams

We are happy to be able to host the Boys and Girls HS teams during their season. Many of the players started their golf career with us through The First Tee, PGA Jr. League, or MAC Golf Camps. We welcome new golf coaches James Inman and Ashley Childs.

They will be on the range and practice areas throughout the next few months, and will have a few matches hosted at River Trace.

Belles & Beaus

The annual Belles & Beaus Golf Tournament is scheduled for August 6-7. We are almost at capacity and look forward to welcoming new and familiar faces for a great weekend.

Club Championships

The River Trace Club Championships were held last month. Thanks to all that participated, and congrats to all the Flight Winners Listed Below:
