

August was a great month for the Meade Activity Center as it was filled with the launch of new programs and various events. Membership numbers are on the rise and we are happy to see many new faces here at the gym, on the golf course, and around the general property. We are happy to offer families in our community the REC League afterschool programs again at both the Brandenburg and Flaherty sites. I'm sure that everyone is looking forward to the upcoming Labor Day Weekend to enjoy some well-deserved time with family and friends.

*Thank you,  
Aaron Greenwell  
Executive Director*

### **MAC Employees**

I would like to take a brief moment to thank some individuals for their tenure at the MAC and wish them the best in their future endeavors. Terry Lancaster, John Storms, Elise Burnett, JD Wilson, Cooper Crump, Haley English, Hannah English, Emma Shaw, Caleb Forbes, and Embry Keenan have all departed in the last month to take other positions, retire, or start their college career. I'd like to personally say how much I appreciate all of them and what they have meant to the MAC. That being said, we have almost an entire new team at the front desk and we ask for your patience as they get acclimated to everything in and around the MAC.

### **Pool**

The MAC pools officially closed on August 14th. Overall, I believe our revised schedule was an overwhelming success. Attendance at the pool was up significantly vs. 2021 and we were able to schedule our staff members in a much more streamlined manner. I would like to thank aquatics director Kristin Bewley, head lifeguard Kara Bewley and our lifeguard team for a wonderful summer. We are looking at additional updates to the pool areas before the 2023 season that we hope will add to your overall enjoyment of the MAC Pools.

### **Fitness Center**

- PLEASE CONTINUE TO WIPE DOWN EQUIPMENT AFTER EACH USE.
- Please be aware of other members who may be waiting on equipment that you are using.
- Please wear the proper footwear and attire in the fitness center.
- Please don't congregate/socialize in an area that is being used by others on the fitness floor.
- Check-in at the front desk when an attendant is present.
- Please be sure to re-rack weights in their designated area and place dumbbells back on the shelf.

### **Gymnastics**

We would like to revisit the opportunity to offer youth gymnastics at the MAC. We are currently in need of a lead instructor for our youth gymnastics programs. Please contact me at [aaron.greenwell@meadeactivitycenter.org](mailto:aaron.greenwell@meadeactivitycenter.org) if you or someone you know might be interested in taking the lead on youth gymnastics.

### **Youth Basketball**

The MAC is working with the MCHS Basketball Staff to offer Youth Basketball Leagues this season. The Boys & Girls league for grades K-2 will be designed as a developmental program and players will play on a modified court with lowered goals. Locations and times will vary. The season will start with a fundamentals and skills assessment clinic. Jerseys and awards are included with registration fees. Fundamentals, skill building, and sportsmanship will be emphasized.

## **River Trace Golf**

### **Meade County High School Teams**

We are happy to be able to host the Boys and Girls HS teams during their season. Many of the players started their golf career with us through The First Tee, PGA Jr. League, or MAC Golf Camps. We welcome new golf coaches James Inman and Ashley Childs.

They will be on the range and practice areas throughout the next few months, and will have a few matches hosted at River Trace.

### **Belles & Beaus Results**

The annual Belles & Beaus Golf Tournament was held August 6-7. We had a full field of players and great level of competition. Congratulations to all of the flight winners.

#### **4th Flight:**

1st—Sutherland & Sutherland –165      2nd—Lockard & Lockard –166      3rd—McCormack & McCormack—167

#### **3rd Flight:**

1st—Greenwell & Greenwell—129      2nd—Scott & Scott—130      3rd—Pike & Pike—133

### **Upcoming River Trace Events:**

#### **River Trace Fall Classic Sponsored by Tony Brown Chevrolet**

The Fall Classic is one of the marquee golf events each year at the MAC. This 2-person tournament uses 4 formats over 2 days and provides a great level of competition across all flights. Formats include scramble, alternate shot, best ball, and combined total. The event takes place on October 15-16. For information please email tournament director Aaron Greenwell: [aaron.greenwell@meadeactivitycenter.org](mailto:aaron.greenwell@meadeactivitycenter.org)

- September 24—Golan Brown Memorial Scramble—Course Open @ 2:30pm
- December 18—Santa's Best Ball—Course Closed after 12 noon

## **Thank You for your support of the MAC!**
