

MAC Newsletter June 2024

June usually provides some of the best weather of the year. School is out, the mac stays busy with members and guests, and I personally find the beginning of summer to be my favorite time of the year. The fitness center has remained very busy, golf and tennis activities have picked up, and the pool opened on-time on May 25th! **Please drive slow and be mindful of increased car and golf cart traffic and small children with the pool open now.** We wish all of our members a happy start into the summer season, and hope that you are working diligently towards your wellness goals and/or enjoying general recreation opportunities here at the MAC.

Executive Director

Aquatics

The pool opened on-time this past weekend. We are excited for the 2024 season here at the MAC. Please welcome back Casey Dawson and Johnathon Ives as aquatics coordinators. Also we're happy to have Anna Wilson and Ann Rogers as head lifeguards.

May 25 – August 6: Standard Hours, 11:00 a.m. - 6:00 p.m. (Sundays 12 noon-6pm)
August 7-11 TBA

- **Swim Lessons will be offered in a group setting later this month. We are still working out the details.**

Summer Camps

Summer Camps are off and running. Thanks to Rusty Warren and his staff for planning a great summer for all of our summer camp participants. Some spots are still available for some of the camp offerings!

River Trace Golf

Despite what appeared to be the wettest May on record, River Trace is in absolutely fantastic shape. I can't say enough good things about our course conditions right now. Our greens are healthy, firm, and fast due to the aeration and top-dress performed in March. The bluegrass fairways are in amazing shape, and the rough is starting to fill in nicely. Please be mindful of our staff's safety if you are on the course while they are actively engaged in a maintenance task.

- Non-Members do not benefit from using your privately owned cart. The guest fee is the same regardless of whether they ride with you or take a rental cart.
- **PLEASE DON'T ALLOW NON-MEMBERS TO TAKE YOUR CART WITHOUT YOUR PRESENCE ON THE PROPERTY AT ANY TIME.**
- Anytime that a guest plays golf or visits any MAC facility with a member and the daily fees aren't paid, the MEMBER'S ACCOUNT WILL BE CHARGED.
- We are starting to experience habitual issues with Golf Members not checking in at the golf shop. Please stop in or call ahead and let us know you're going out. If we can't get a grip on this problem soon, other actions may have to be implemented.
