Terms of Membership – Meade Activity Center

When the application for membership is turned in to the MAC office, payment of the set-up fee, additional individual 24/7 membership card fee(s), plus the first month's dues are required. Monthly dues are prorated for the first month according to the date at the time of joining.

Monthly membership dues are due on the 1st of the month. Invoices are not mailed and payments not made by 4:00 p.m. on the 20th of the month (MAC Grace Period) will be considered late. Payments can be made by cash, check, money order, or debit/credit card. We offer automatic bank draft or automatic debit/credit card payment at no additional cost to the member to process on the 1st or 15th of the month.

Members are required to pay memberships continuously without lapse. If a membership is not kept current, it is subject to suspension or termination.

- Individual membership cards are issued to all members 12 years old and up.
- Individual 24/7 access membership cards are issued to Fitness members 15 years old and up.

Overdue, Suspended, and Terminated Memberships

- A \$5 late fee will be assessed on any membership whose payment is not received by the MAC Grace Period listed above. This late fee will be added to the member's balance due and an email invoice will be sent.
- If full payment for an invoice with an outstanding balance is not received by the 20th of the next month, the membership will be placed in a suspended status and membership cards will be deactivated. Members who have suspended memberships will be required to pay guest fees for any MAC facilities or services used until all membership fees (including late fees) have been paid. An additional \$5 late fee will be assessed for each month that an outstanding balance exists for the membership.
- If a membership is in a suspended status, a reminder note will be added to that membership's email invoice each month until all membership fees (including late fees) have been paid.
- If a membership remains in a suspended status for three consecutive months, the membership will be terminated and a final invoice will be sent to the member requesting payment for any and all outstanding fees (including all outstanding late fees).
- Once terminated, a membership may be reinstated by paying all outstanding membership fees as well as any missed monthly membership fees up through the current month. If a member chooses to catch the membership up to current status, no additional join fee is required and membership cards will be activated.
- *Memberships may be suspended or terminated at any given time at the discretion of management.*

Returned Payment Fee

- All returned payments (check, automatic bank draft and automatic debit/credit card) will be charged a \$20 return fee.

Requests for Hold Status

- The MAC realizes that members may face medical circumstances and situations that require their memberships be put "on hold" from time to time. Should any member feel the need to have their membership put on hold, a request can be submitted to the MAC office in writing. Once a request is received, MAC management (with input from the MAC Board of Directors) will review the request and render a decision. If a membership is put into a hold status, the member will be required to pay applicable guest fees for MAC facilities and services used until the membership is reactivated.

Requests for Termination

- Any member who wishes to terminate their membership should do so in writing before the 20th of the month prior to the month the termination is requested. Those members who choose to terminate their memberships will be expected to pay any outstanding fees (including any outstanding late fees) up to the termination date.
- Terminated members can use the MAC facilities and services as anyone else in the community by paying the appropriate guest fees.
- Memberships that have been terminated surrender any status associated with that membership.

Membership Upgrades or Downgrades

- If a member wishes to upgrade their membership, a request should be made at the MAC office. Along with completing an upgrade request, the member is required to pay an upgrade fee of \$50 plus the new membership fee. (If the member is a Charter member and has never upgraded before, the upgrade fee is waived.)
- If a member wishes to downgrade their membership, a request should be made at the MAC office by completing a downgrade request form. A member who has downgraded their membership can request to upgrade their membership once a 12 month waiting period has passed from the date of downgrade. In addition, members upgrading a previously downgraded membership will be required to pay the normal \$50 upgrade fee.

Release and Liability Waiver

In consideration for being permitted to participate with the MAC for any purpose including but not limited to utilization and/or observation of its facilities, services, and programs, without respect to location, the undersigned member, other family members, and personal representatives, assigns, heirs, and next of kin hereby agrees to release, waive and discharge the MAC, its directors, officers, board of directors, employees, and agents from all liability for any loss or damage to personal property, and/or any claims or demands therefore on account of injury or death of the undersigned. The undersigned agrees that the forgoing release and waiver of liability is intended to be as broad and inclusive as is permitted by the law of the Commonwealth of Kentucky.

I understand that membership at the MAC is a privilege and may be revoked for conduct unbecoming a member as stated in the rules of the facility or at the discretion of the director. I further understand that membership dues are not refundable.

I have read and agree to the Terms of Membership.
