

After a slow start, June produced one of the busiest months on record at the Meade Activity Center. All of our facilities and programs have been extremely well attended and summer camps are rolling as well. It’s refreshing to see so many new faces around the MAC and welcome back familiar ones as well. Please continue to be mindful of increased vehicle traffic, golf cart traffic, and small children in and around parking lots. We would like to welcome the 40+ new MAC Members since the start of the 2nd quarter, and hope that you are enjoying everything the MAC has to offer.

Aquatics

I’d like to take a moment and thank our aquatics staff for a great season thus far. They’ve worked nearly every day since mid-May with an early opening, and they have done a wonderful job during a very busy month of June. The pool looks great and they’re working hard to keep it that way!

***We have a gazebo going up as this newsletter goes out that should provide some nice shade at the baby pool area.

Summer Camps

MAC Summer Camps are off and running! We are halfway through the summer and our numbers are fantastic. We attribute our unbelievable attendance figures to our great staff who work hard to assure that our campers get to experience a fun and safe summer engaged in innovative activities with their peers! Thanks to Rusty Warren and his staff for their diligence to make a memorable summer for our participants.

River Trace Golf

It seems we’re either in a drought or it rains multiple inches in a single day. Despite some strange weather the golf course is in fantastic condition. As we head into the dog days of summer, please try to keep the carts on the path or in the fairways whenever possible. **PLEASE CHECK IN AT THE FRONT DESK BEFORE YOU PLAY!**

- Non-Members do not benefit from using your privately owned cart. The guest fee is the same regardless of whether they ride with you or take a rental cart.
- **PLEASE DON’T ALLOW NON-MEMBERS TO TAKE YOUR CART WITHOUT YOUR PRESENCE ON THE PROPERTY AT ANY TIME.**
- Anytime that a guest plays golf or visits any MAC facility with a member and the daily fees aren’t paid, the MEMBER’S ACCOUNT WILL BE CHARGED.

Over the next few months we hope to accomplish the following:

- Add another Palisade Stepper at the Gym. (Highly requested)
- Add a new artificial turf section to the driving range
- Asphalt work on Hole numbers 1,2,3,6,7,8
- Asphalt work on back parking lot.
